2) Submitted with connected reference. It will be seen from the office notes in G.R. 268-05 herewith put up, that no special concession was shown either to Mr. Lakshmi Narasimhachar or to Mr. Muthyunjaya Iyer. The former was getting Rs 200 as Asst Census Supt in Sept 1904, & on the close of the Census operations he was ~~reverted to his~~ reverted to his permanent post of Rs 100-10-150 in the Comptr's office, he being, as a special case, given the maximum pay of his appointment plus a personal allowance of Rs 50/- At the same time he was sent to undergo training in the Madras Accountant General's office and qualify himself ~~for~~ by passing the Higher Departmental Examn of the Govt of India. After he passed this test he was, in August 1905, appointed as Asst Comptr on Rs 200-20-400.

3) Mr. Muthyunjaya Iyer was, after the close of the Census operations, appointed as Amildar of Kolar on Rs 150 + Rs 50 (Pers. allce). He was appointed an Extra Asst Commr with effect from 1st July 1906.

4) In consideration of the fact that the Census work has been closed much sooner than it was on the last occasion it is for Govt to decide whether any special consideration should not be shown to the two officers this time

the good work done & the two assistants like Rev^d White endorsement says that it would be desirable to supersede the names of others. A special case however deserves recognition. But there are no precedents as there was any it was broken at the Census of 1901 when the 2 Asst^s were rewarded with Rs 100 each & one was reverted to his former minister appointment & the other posted as an Assistant but with no reduction in pay which they drew while working as Census Asst^s.

6) Please put up the files containing the orders of Govt sanctioning personal allowances of Rs 50/- each to Messrs Lakshmanarasimhachar & Narayanayya for census work as noted in para. 2 of the note

8 The Census Superintendent has recommended that in consideration of the good work done by his Assistants - Messrs: M.Sadasiva Rao and K.R.Krishnaswamiengar - they may be appointed as Assistant Commissioners.

9. In the previous Census of 1901, Messrs: Lakshminarasimha Row and Mrityunjaya Iyer were entertained as Assistants on a pay of Rs. 200 each, their permanent pay at the time being Rs.120 (in 100-10-150 grade) and Rs.150 respectively. On the completion of the Census in September 1903, Mr.Ananda Row, the then Census Superintendent strongly recommended the pay of both to be permanently increased to Rs.300 in appreciation of the good work done by them;and in two subsequent letters in March and September 1904, he urged their appointment as Assistant Commissioners. Government sanctioned a personal allowance of Rs.50 to each of the officers so as to bring up their pay to what they were drawing in the Census Department. In

the case of M shmi Narasimha Row, Government further directed his being sent, as recommended by the Comptroller, for a course of training in the Madras Accountant General's Office, at the end of which he was, in August 1905, appointed Assistant Comptroller on Rs 240 in the Rs.200-20-400 grade. Mr.Mrityunjaya Iyer was appointed as Assistant Commissioner in June 1906.

Mr Krishnaswamy Aiyangar's permanent appt is that of Manager Rev Comm Office and in that capacity he ranks with Asst Collrs.

2 There is a proposal* from the Comptroller to post Mr K R Krishnaswamy Aiyangar to his office. His high attainments in Mathematics and his special study he has made of Political Economy & his knowledge of Subjects render him peculiarly fitted for a gazetted office place with his financial dept if a place can be found for him there. Or his services may be utilised for the Economic Conference if a suitable place cannot be

Mr. Krishnasamiengar may, after the completion of the Census work now on hand, be reverted as Manager of the Revenue Commissioner's Office, or, as an Amildar.

He may, as a special case, be given a personal allowance of Rs.25/- per mensem, or such other amount as may be necessary, to make his total emoluments Rs.200. This personal allowance will be reduced or absorbed when he reaches Rs. 200. I think this concession is necessary to induce officers to take some interest in Census work and I understand

The papers may be circulated to the Councillors and if they agree, the case may be resubmitted with the draft of a submission note to His Highness. The opinion of the Financial Secretary may also be taken

SIR,

I have the honor to forward herewith the Census Superintendent's letter No.971 dated the 27th September 1912 recommending the appointment of his Assistants to the grade of Assistant Commissioners and to state that if others had been put there perhaps equally good work would have been shown. While I cannot recommend juniors being sent over the heads of a host of seniors, I have no hesitation in endorsing the Census Superintendent's appreciation of the good work turned out by the two young men and asking that it may be noted in their favour when their claims for preferment along with the claims of others come up for consideration.

I have the honor to be,
Sir,

To

Offg: *Secretary to the Government of*

Through:- The Revenue Commissioner in Mysore, Bangalore.

SIR,

I have the honour to make the following recommendation regarding the promotion of my Assistants, Messrs.M.Sadasiva Rao,B.A.,B.L. and K.R.Krishnaswami Iyengar, M.A., B.L.,

2. Mr. M. Sadasiva Rao joined the Census Department on 19th December 1910 and has now worked for over a year and nine months while Mr.K.R. Krishnaswami Iyengar has been working for the past one year and a half having joined the Department on the 1st of March 1911. The two volumes of Report and Imperial Tables have, as the Government are aware, been issued already and I have recorded my appreciation of their work in the last para of the Introduction to the Report. I have also communicated to Government in one of my weekly progress reports the favourable remarks passed by the Census Commissioner in regard to the volume of Tables. Both as regards the time taken and the expenditure incurred, this Census will, I believe, compare favourably with previous Censuses in the State and with Censuses elsewhere.

3. Although neither of my Assistants had experience of any previous Census, they were able to achieve success in the difficult task of managing one of the largest Census Abstraction Offices in India by bringing to bear on their work a capacity for sustained exertion, a high sense of duty a remarkable power of organisation, great tact, and an exemplary temper in dealing with such a large number of people

of all sorts and temperaments in the Abstraction Office. They had to surmount great difficulties during the Slip-copying stage in superintending a large staff of more than 650 men who were distributed in three separate buildings at some distance from each other. There was such ready co-operation between the two Assistants that they were able to effect a uniformity of procedure in the work of the two divisions of which they were in charge. The efficient management of the Abstraction Office was also testified to by the Census Commissioner who had come to Bangalore and inspected the Office on 31st July 1911, as may be seen from the following extract from his Note of Inspection, No.C.24, dated, Madras, 3rd August 1911:-

> " The sorters are doing their work well and carefully; the supervision is adequate; and the results so far as I could judge at this stage are accurate. "

4. After the Imperial Tables ~~xxx~~ were all finished, both the Assistants rendered me great help in the preparation of the Report and of the Subsidiary Tables. Their high educational qualifications stood them very well in this work and I must say that they ~~a~~quitted themselves creditably in the task.

5. In these circumstances, I request that Government ~~xxx~~ will be pleased to mark their appreciation of my Assistants' work by making them Assistant Commissioners. In this connection, I beg to invite the attention of Government to the recommendation made by the Director of Statistics in charge of Census Operations in his letter No.134, dated the 7/8th September 1903, regarding the promotion of the Assistants under him.

I have the honour to be,

Sir,

Your most obedient servant,

Census Superintendent.
